WELCOME TO ALL SAINTS

If you are a visitor to All Saints, we want you to know how welcome you are-whether you have come from another part of the country, from across the world, or from another parish here in the Diocese of Dallas. Thank you for praying with us. Thank you also for your generosity, which helps us to celebrate All Saint's liturgies here in a fitting and beautiful way, and to offer a wide range of services to needy people living in the Dallas area. Enjoy your visit and know that you always have a home here at All Saints Catholic Church!

PARISH REGISTRATION

If you have made the decision to join us and make All Saints your permanent home, we welcome you and invite you to register online at www.allsaintsdallas.org/registration. Registration forms are also available all the time at the Newcomer's Desk in the Welcome Center or in the Church Office during the week.

OUR VISION

We gather as the Body of Christ: to grow in our faith, to serve, to share.

OUR MISSION

We the faith community of All Saints, united in God's family through our Catholic tradition, gather to bear witness to the teachings of Jesus Christ and share His eternal mission. We come together for communal worship, education in faith, spiritual growth and fellowship.

Inspired by the Holy Spirit, we reach out as Christ's hands to spread God's love, healing and forgiveness. We are committed to our tradition of hospitality, diversity and tolerance. We invite all to use their time, talent and treasure to make present the kingdom of God.

FROM THE DESK OF FR. ALFONSE...

Jesus said, "Repay to Caesar what belongs to Caesar and to God what belongs to God."

We cannot live life constantly on the edge. We need balance. We need a center, a home base, solid ground, stability. Today's readings bring us back to our center, our hope, our goal, our love: "I am the Lord, there is no other." (Is 45:6)

These readings remind us that if there was a shift in our way of seeing our solar system, there cannot be a shift in the way we see the Savior!

Centering on Ourselves. We don't care to admit it, but we like to be the center of attention. We like it when others think of us, when we are the attention grabber, when the spot light is on us. We like to be the focus of attention, the popular one. I like it when people come up to me and say, "Father, you gave a great homily!" or "Father, you're the best!" I also hate it when people come up to me and say, "Father, can I speak to you for a moment." I know what that means. It means they didn't like what I had to say. It's very natural. It is all a result of original sin. We all like to be considered, appreciated, loved and adored, even if it means creating a lot of dead bodies! That's why what Isaiah says is what we all need to hear: There is a God, and it is not you! The Lord knows me by name. He knows me well. He knows my weakness, my failings, my stumbles and my falls. I should know this by now! I should be well aware of my errors by now. To wish to be the center of

the Universe means to place the weight of the Universe upon my shoulders. And guess what? It will crush me! I cannot allow myself to fall into this temptation. I know what will happen; I will surely die!

Centering on Others. We don't care to admit this but not only do we love ourselves, we also tend to love others, those in the limelight, by placing them on a pedestal. We cannot have any false idols! There is only one God, and not a single person can fill that role! I remember when a friend, whom I looked up to, played a trick on me. One day he challenged me to a competition. He had a quarter and he told me,

"Heads, I slap you. Tails, you slap me!" I was stupid enough to go along with it. Well, after 5 slaps in my face (all in a row) I grabbed the quarter out of his hand and saw that both sides were "heads"! Getting slapped in the face is exactly what happens to us when we give more than man deserves and less to what God deserves! If we replace God with people, we will always end up being disappointed.

Centering on God. Quite often when I give a talk to a group of teenagers, I will ask them a simple question. I ask them if they know who God is. I say, "God is...?" Like always, very few kids are smiling. With their arms crossed, I get the typical answers: All-mighty, Creator, All-powerful, etc. But no one says, "God is love". I'll tell them, "No wonder you aren't smiling. You don't know that God is love!" The Lord invites us today to center our lives, our desires and passions, our faith, hope and love, our very being on Him! Do I think like Jesus did? Do I speak like He did? Do I work and move like He did? If not, then give to God what belongs to God!

CREATING A LOVE FOR LEARNING (PREK3 AND PREK4)

The Early Childhood Program is a full-day curriculum designed to nurture the heart and mind of your child in a faith-based atmosphere. Your student will develop confidence, self-control, and fine motor skills through activities that spark natural curiosity and imagination. Parents have an option to enroll students in the 3 day (MWF) or 5 day program. Your Little Saint will be guided on how to work both independently and collectively with ample time to learn through play. Upon completion of our PreK4 program, your child will be kindergarten ready, independent, and prepared to continue learning.

Class instruction is delivered in a variety of formats to meet the needs of each student. Weekly themes are designed for prekindergarten students to develop skills and build their content knowledge. Class experiences include gross and fine motor activities, exposure to math and science concepts, and a variety of opportunities to develop language, literacy, social, and emotional skills. Students also develop specific skills during their co-curricular classes in Art, Library, Music, Spanish, Mandarin, Physical Education, and Coding and Robotics in our state-of-the-art Innovation Lab.

Q & A / TITHING

Answer:

While most Catholics know that the Church Year is divided into various seasons (e.g. Advent, Christmas, Ordinary Time, etc.), many are unaware that the one Church Year is not like the one that follows. While the main seasons and feasts are the same from year to year, the 3-year cycle for Sundays and the 2-year cycle for weekdays means that, as a general rule, the readings in the Lectionary that we hear at Mass will change from year to year, helping us to have a richer encounter with Sacred Scripture. Each new cycle begins with the beginning of the liturgical year, the First Sunday of Advent.

The reasoning behind this innovation is outlined in Sacrosanctum Concilium, the "Dogmatic Constitution on the Sacred Liturgy" of the Second Vatican Council: "The treasures of the bible are to be opened up more lavishly, so that richer fare may be provided for the faithful at the table of God's word. In this way a more representative portion of the holy scriptures will be read to the people in the course of a prescribed number of years" (no. 51). This was fully achieved in 1969 when the new cycles of readings were approved by Pope Saint Paul VI. If you would like to support All Saints Catholic Community but aren't sure you can fit in a gift in the near future, keep in mind one of the easiest and most flexible ways to give - a bequest. This gift in your will supports our mission after your lifetime, which means you retain use of your assets while you need them and you're free to change your plans at any time. Meet with your estate planning attorney to add this suggested wording to your will or living trust: "I, (name), of (address, city, state ZIP), give, devise and bequeath to All Saints Catholic Church at 5231 Meadowcreek Dr., Dallas, TX 75248, (written amount or percentage of the estate or description of property) for its unrestricted use and purpose."
