ASCS FIFTH GRADE SUMMER READING

Dear Incoming 5th Grade Parents,

As you know, fostering a love of reading at a young age has so many benefits. With reading being the biggest indicator of academic success, we must foster that love and continue to encourage our students to read. At All Saints Catholic School, we want to do all that we can to foster that love of reading. This summer students will have the opportunity to build their knowledge and faith through the wonderful world of books!

As incoming 5th graders, there will be 2 parts to our summer required reading program. They are as follows:

- The first part of the 5th grade required summer reading program will be for the students to read one of the books from the list provided. If you are in Honors ELA, you must pick 2 books. One must be from the Honor's list and the other may be any book from the entire Fifth Grade list. Most of these books can be found at your local library.
- The second part of the 5th grade required summer reading program is to complete the File Folder Project (attached) for only one book. The File Folder project was handed out to students. A copy is attached for your reference.
- The project will be due in the first week of school.
- Students will take an AR test on summer reading during the first week of school.

My hope is that this summer requirement will encourage your child to continue to read over the summer. I am looking forward to seeing you in the fall! Have a wonderful summer vacation!
