ASCS FIFTH GRADE SUMMER READING

Dear Incoming 5th Grade Parents,

As you know, fostering a love of reading at a young age has so many benefits. With reading being the biggest indicator of academic success, we must foster that love and continue to encourage our students to read. At All Saints Catholic School, we want to do all that we can to foster that love of reading. This summer students will have the opportunity to build their knowledge and faith through the wonderful world of books!

This summer, students can choose **TWO** books to read from the lists below (**one** of the fiction books and **one** of the biography/autobiography books), and **ONE** free choice book.

Honors students will need to choose one of the **starred** fiction books.

Students will be required to take AR tests on each book and pass with an 80% or better. If an 80% is not reached, they will need to read another book and take another AR test. All AR tests will need to be completed by July 30, 2022. My suggestion would be to spread this out throughout the summer, reading a book and taking a test every three weeks or so.

My hope is that this summer requirement will encourage your child to continue to read over the summer. I am looking forward to seeing you in the fall! Have a wonderful summer vacation!

Blessings,
Ms. Kathryn Blase
