

November 17, 2021

Dear Fellow All Saints Catholic School Parents, Grandparents, and Friends,

We are excited to announce our theme for this year's Gala and Auction: *Après Ski*. The auction will be held on February 26, 2022 at the school. This event has become an anticipated time of fun and fellowship for our community. It is also a time to reflect on, give thanks for, and celebrate All Saints Catholic School. You will be receiving an official invitation soon, but please mark your calendars and save the date for this fun and casual event.

Proceeds from the auction remain a critical part of the school's annual budget. Our supporters are key partners in supporting excellence in faith, academics, character, and service in our students. Included with this message are our sponsorship levels. We have included sponsorships all the way from \$10,000 to \$300 with the hope of finding something for everyone. General admission tickets will be \$75 and can also be purchased now.

While we need your support, and we are not shy to ask for it, what we truly appreciate is our shared support of All Saints Catholic School. We know that this community offers our kids a safe and loving place to grow and learn. On behalf of all our students, faculty, and staff, we thank you for all you have contributed in the past to our school, and we sincerely appreciate your continued support at this year's auction.

Sincerely,

Krystle McNew  
Sam O'Brien  
Vanessa Surmiller  
Kate Wilton
