## WELCOME

If you are a visitor to All Saints, we want you to know how welcome you are—whether you have come from another part of the country, from across the world, or from another parish here in the Diocese of Dallas. Thank you for praying with us. Thank you also for your generosity, which helps us to celebrate All Saint's liturgies here in a fitting and beautiful way, and to offer a wide range of services to needy people living in the Dallas area. Enjoy your visit and know that you always have a home here at All Saints Catholic Church! If you have made the decision to join us and make All Saints your permanent home, we welcome you and invite you to register online at [www.allsaintsdallas.org/registration](http://www.allsaintsdallas.org/registration). Registrations forms are also available at the Newcomer's Desk in the Welcome Center on weekends or in the Church Office during the week.

## OUR VISION

We gather as the Body of Christ: to grow in our faith, to serve, to share.

## OUR MISSION

We the faith community of All Saints, united in God's family through our Catholic tradition, gather to bear witness to the teachings of Jesus Christ and share His eternal mission. We come together for communal worship, education in faith, spiritual growth and fellowship. Inspired by the Holy Spirit, we reach out as Christ's hands to spread God's love, healing and forgiveness. We are committed to our tradition of hospitality, diversity and tolerance. We invite all to use their time, talent and treasure to make present the kingdom of God.

## FROM THE DESK OF FR. ALFONSE...

Today's Gospel passage is very interesting to read because the Lord (God Almighty) was telling his very own disciples, those closest to Him, that they still needed to pray.

Although the disciples walked everywhere with the Lord and talked to Him and ate with Him, they still needed to reflect upon Him. Yes, although the

disciples were physically close to God, they still needed to pray to God. To me, this means that prayer is much more than just seeking nearness with God. It means absorbing every word the Lord said and every step the Lord took.

How interesting... Although we may find ourselves very close to the Lord, we still need to pray to the Lord.

Pray Always. I wish I could have heard the Apostles pray. What did they pray for? How did they pray? I think that when they prayed, they reflected on every word the Lord spoke and every deed the Lord did. After all, what is Scripture if not the life of Jesus Christ in their own words?

Before they wrote their Gospels and letters they prayed. When they wrote, they wrote the words the Lord spoke, the miracles the Lord performed and the conversations the Lord had. They wrote about the life of Christ. Their prayer was His life so that His life could become their life. When they prayed, they prayed that they could be more like Him.

The purpose of praying, the need to pray, is not so that God can understand me better, nor is it for Him to become more like me. The purpose of praying is so that every breath that I take, every word that I say, every deed that I do is His. What exactly did the Apostles do? Did they become their own

man? Did they re-work the Lord's design? No. They followed in His footsteps. They made disciples. They converted souls. They were beaten and put to death.

If I want to know more about God, then I need to pray. If I want to learn more about myself, then I need to pray. If I want to make the right decisions in my life, then I need to pray.

Prayer is not a one way form of communication with God. It is not my opportunity to get a word in with my Lord and King. It is not like a visit to my therapist or psychologist or counselor, where I do all the talking (or complaining) and He does all the listening and understanding. It is a much more than that. It is a time to be in Him, with Him and through Him.

When we pray, we should not be so concerned about the words we choose. In fact, I find myself choosing more and more often the words the Lord chose. To me they are the best. They make the point clearer. They hit the target, the human heart, more often than my own. Rather, when we pray, we should use His words, His experiences, and His messages.

Praying is not something that we do only at a specific moment in the day. Praying should be like breathing; something that is done regardless of where we are. We should pray at work, at home, in conversation with friends and family, in every single event that takes place in our life. When we go somewhere, do something, say something, we should always keep in mind the traveling the Lord did, the people the Lord encountered, the questions the people asked, the difficulties the Lord had, the challenges the Lord faced, the rejections the Lord experienced.

In this way, prayer becomes my life and so whatever happens today, the Lord is with me, in me and through me.

A dedicated greeter can affect the first impressions of regular parishioners as well as visitors. It is an opportunity to express God's love through Christ and set the tone of the upcoming worship service. A friendly smile can brighten a day and may change a negative attitude. An expression of compassionate care might calm the nerves of a stressed soul. A welcome and genuine concern may help people feel connected. As we continue to create "The Best Sunday Experience" for everyone attending All Saints Catholic Community, please consider becoming a Greeter for the weekend Mass that you attend. Steps...

The ministry of ushering serves the people and creates an atmosphere of hospitality here at All Saints Catholic Community. The heart of an usher is the heart of a servant. Ushers serve with a special extraordinary welcome by providing a warm and safe atmosphere of reverence and order before, during and after the Mass. Ushers are in simple terms, "doorkeepers for the house of the Lord."
