## OUR VISION

We gather as the Body of Christ: to grow in our faith, to serve, to share.

## OUR MISSION

We the faith community of All Saints, united in God's family through our Catholic tradition, gather to bear witness to the teachings of Jesus Christ and share His eternal mission. We come together for communal worship, education in faith, spiritual growth and fellowship. Inspired by the Holy Spirit, we reach out as Christ's hands to spread God's love, healing and forgiveness. We are committed to our tradition of hospitality, diversity and tolerance. We invite all to use their time, talent and treasure to make present the kingdom of God.

## FROM THE DESK OF FR. ALFONSE...

At that time, Jesus came to Jericho and intended to pass through the town. Now a man there named Zacchaeus, who was a chief tax collector and also a wealthy man, was seeking to see Jesus...

No one is too small. No one is that great. No event is too small. No event is that great. "Before the Lord the whole universe is as a grain from a balance or a drop of morning dew. But you have mercy on all, because you can do all things; and you overlook people's sins that they may repent" (Wis. 11:22-23).

Zacchaeus climbed up a tree. The Lord may overlook our sins, but he does not overlook us. If anything, He looks out for us.

Zacchaeus may have had the body of an adult, but he still had the heart and mind of a child. I think he was a child, through and through. After all, he still liked to climb up trees!

But guess what? We are all children in heart and mind, regardless of how old we are. We still think like children, act like children and dream like children. We are no different from Zacchaeus.

They say he climbed up a tree because he was short in stature. If that is true, then I would say he also became a tax collector because he was short in stature. What the heck, let us even say he became a tough and wealthy man because he was short in stature.

God is our Father. We are his children. Zacchaeus is a child. And like so many children, who are small in stature and like to climb up trees, they can be both angels and devils simultaneously; truthful and amazingly dishonest; loving and incomprehensibly hateful; emotionally taxing and emotionally rewarding. They may share our genes but they sure act like aliens. Children are very interesting. They can humble the mighty.

Zacchaeus humbled God.

Today's readings highlight the depths and widths of God's love for His children, especially His messy ones. The Lord saw Zacchaeus. He saw him sitting on a branch. And he called out to him, "Zacchaeus, come down quickly, for today I must stay at your house." The small man was overwhelmed with joy. He could not believe it. He could not believe the Lord was speaking to him. He jumped down from the tree and approached the Lord. But suddenly, from nowhere, a voice shouted out, "You are a sinner!" Concerned, Zacchaeus must have stood there for a moment with his eyes wide open and thinking, "What shall I do?" So he said to the Lord, "Behold, half of my possessions, Lord, I shall give to the poor, and if I have extorted anything from anyone I shall repay it four times over."

Why? Why was he willing to do this? It's obvious. Zacchaeus was willing to lose all his wealth, but not the Lord's invitation. He would do whatever it took to have the Lord stay with him. Lord, everything I have I will give it away, but please, please, do not leave me. Just don't leave me. Stay with me, Lord.

And the Lord said to him, Zacchaeus, today I will stay at your house.

Humility is the Christian's greatest weapon. It was our Lord's stealthy drone. The Lord did not come into the world with blasting trumpets, ready to strike. He came unannounced and unnoticed, and only at very specific moments did He actually reveal His true identity and the purpose of His visit: "For the Son of Man has come to seek and to save what was lost."

Humility disarms enemies (sinners), and turns them into long lost friends. Christians have been called by God to disarm the world.

## IT'S COLD & FLU SEASON

This time of year is often called "flu season." In the United States, flu viruses are most common during the fall and winter months. Influenza activity often increases in November. Most of the time flu activity peaks between December and February, and it can last as late as May.

The Centers for Disease Control and Prevention recommends people seek out and receive the flu vaccine. The flu vaccine is recommended for everyone six months of age and older, including pregnant women.

### STOP THE SPREAD OF THE FLU

- Avoid close contact with sick people and conversely while sick, limit contact with others to keep from infecting them.
- If you are sick with flu symptoms, CDC recommends that you stay home for at least 24 hours after your fever is gone except to get medical care.
- Cover your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it.
- Wash your hands often with soap & water or use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose & mouth. Germs spread this way.
- Clean and disinfect surfaces and objects that may be contaminated.

40 Days for Life is a focused pro-life effort that consists of 40 days of prayer and fasting, 40 days of peaceful vigil, and 40 days of community outreach. Dallas is once again joining with hundreds of cities nationwide in this powerful, life-affirming and life-saving campaign! The prayer vigil is being held 24 hours a day, 7 days a week, outside **Southwestern abortion facility, 8616 Greenville Ave., Dallas 75243.**

We are praying that, with God's help, this effort will help bring an end to abortion not only in our city but also throughout America! Churches of all denominations are needed to sponsor a day or block of hours during this solemn prayer vigil.
