# WELCOME TO ALL SAINTS

If you are a visitor to All Saints, we want you to know how welcome you are—whether you have come from another part of the country, from across the world, or from another parish here in the Diocese of Dallas. Thank you for praying with us. Thank you also for your generosity, which helps us to celebrate All Saint's liturgies here in a fitting and beautiful way, and to offer a wide range of services to needy people living in the Dallas area. Enjoy your visit and know that you always have a home here at All Saints Catholic Church!

## PARISH REGISTRATION

If you have made the decision to join us and make All Saints your permanent home, we welcome you and invite you to register online at [www.allsaintsdallas.org/registration](http://www.allsaintsdallas.org/registration). Registration forms are also available all the time at the Newcomer's Desk in the Welcome Center or in the Church Office during the week. Please welcome our new members who joined in February. They are listed on page 5.

## OUR VISION

We gather as the Body of Christ: to grow in our faith, to serve, to share.

## OUR MISSION

We the faith community of All Saints, united in God's family through our Catholic tradition, gather to bear witness to the teachings of Jesus Christ and share His eternal mission. We come together for communal worship, education in faith, spiritual growth and fellowship.

Inspired by the Holy Spirit, we reach out as Christ's hands to spread God's love, healing and forgiveness. We are committed to our tradition of hospitality, diversity and tolerance. We invite all to use their time, talent and treasure to make present the kingdom of God.

## FROM THE DESK OF FR. ALFONSE...

It is good to be here! It is always good to be in the presence of the Lord. "The Lord is king, the Most High over all the earth" (Ps 97:1a, 9a).

Today is the feast of the Lord's Transfiguration. It is not his "transformation". That is, it is not his changing into someone else. Rather, the transfiguration of our Lord is the

revelation of his true being, his true essence, to all men.

Jesus took Peter, James, and his brother, John, and led them up a high mountain by themselves. He took them up high so that there would be no distractions. Distractions have a way of dampening the moment and of diminishing the essence of things – the important things in life. Pope Emeritus Benedict, in his book *Jesus of Nazareth*, writes, that the Lord took them up the mountain so that he could liberate them from the burden of everyday life. I look at this as an eloquent way of saying that the Lord wanted to lift up their heads, to look up, rather than to keep looking down. Far too many of us spend way too much time with our heads down, staring at the floor. The Lord must have felt that it was taking way too long for his men to convert, to transform into men of God. The Lord transfigures. Men must be transformed! "It is no longer I who live in me, but Christ who lives in me."

The Apostles may have suffered from another type of distraction: to see things microscopically; which means to not see things for what they truly are, and how they truly fit in. The daily grind of human affairs distracts us from the daily business of God's universe and its purpose.

Faith in God is so simple. Only complicated philosophical thinking can obscure the simplicity of faith. Faith in God really means having less faith in oneself. And we all know that this flies smack in the face of our modern way of thinking. We don't ask questions like Socrates, we tell people what we think. We have become

experts in everything, only to change every ten years! We think of progress as having passed a test. What we don't care to say is that we have changed the test so that we could pass it! What was once dysfunctional will always be dysfunctional, but since we can't do any better, we transfigure it by various names such as "reproductive rights", "selective reduction", "an emotional affair", etc.

The transfiguration of our Lord is in preparation for the crucifixion of our Lord. The Lord is not glorified because of what he can do or what we can do for him. He is neither glorified because his friends build him up. It is not his friends that stroke his ego. It is not even his friends that give him a pat on the back and help him with positive feedback. The transfiguration of the Lord is simply the removing of a veil. It is the Presentation of the Lord. And no one will ever take that away from him, not even as he is being dragged through the allies of Jerusalem and nailed to a tree. He is who he is.

Christ knows himself and He wishes to reveal himself so that we can be more like him. "When Christ is revealed we shall be like him, for we shall see him as he is" (1 Jn 3:2).

If you think about it, there is really very little that we actually know. We know our friends slightly. We know our neighbors less. But if we were to be honest with ourselves, we would have to say that we know ourselves the best, and we hardly know ourselves. We are a continual flux of emotions, a ball of wax easily melted away with the slightest heat of negativity.

In essence, the Lord's transfiguration is nothing more than an invitation to listen to Him and to "come follow Him." He transfigures before us so that he can transform within us, and He encourages us not to be transformed by our environment or by worldly things and people. There are many people that would love to take away your peace. Don't let them transform you! There are many that would love to ruin your day! Don't let them! Allow only the Lord to be the Master of your life, the transformer of your day and the glory of His Kingdom.

# FAITH FORMATION

***We are excited to share with you some great news about our youth ministry program.***

Starting March 1<sup>st</sup> Andrew Darling will be joining our staff as the Director of Junior High Ministry. Andrew has grown up at All Saints, been involved in various ministries both here and throughout the diocese. Please extend a warm welcome to this new member of our team. Andrew will be profiled in a future edition of our parish newsletter.

focus on family ministry. We are always trying to find new ways to provide opportunities for spiritual growth and formation for our youth of All Saints. We have seen a further need to help equip parents in living out their baptismal promises, mainly that they are “the first

and best” catechists to their children. In response to this call, we have discerned that it is necessary to create the role of Family Ministry at All Saints.

Chelsea Colomb will be moving into the role of Director of High School Ministry. Chelsea’s wealth of experience and knowledge both on diocesan levels and in the parish have been incredible blessings here at All Saints. She will continue to lead the Confirmation program as well.

This ministry’s purpose is to rebuild and retool the domestic church. Its purpose is not to replace your child’s religious education or youth ministry experience. Our goal is to provide resources and opportunities to enrich the faith lives of the families. We look forward to continuing this life-long journey walking alongside you.

# PLEASED

"This is my beloved Son,  
with whom I am well  
pleased; listen to him."

MATTHEW 17:5B

**Sometimes we need someone to  
simply be there. Not to fix anything,  
or to do anything in particular,  
but just to let us feel that we are  
cared for and supported.**

**PLEASE DON'T PARK IN THE FIRE LANES! VEHICLES IN THE FIRE LANE WILL BE TOWED!**

This is a friendly reminder. Parking in the fire lanes is illegal and dangerous. There have been medical emergencies during Sunday Mass where the ambulance had difficulty reaching the crisis due to cars parked in the fire lane. Thank you for cooperating to help keep All Saints a safe place to worship.

# MINISTRY NEWS & EVENTS

## Important Notice:

*Due to increasing concerns about the coronavirus, Fr Alfonse decided to limit Communion to hosts only. He prefers reception of Communion on the hand and not the tongue. He also suggests a simple bow rather than shaking hands at the sign of peace. Thank you for your understanding and full cooperation.*
