

Dear Friends in Christ,

I am pleased to announce that our All Saints Finance Committee has established the Friends of All Saints Endowment Trust, a fund managed by the Catholic Foundation of Dallas that will be safe and secure for future generations. The Friends of All Saints Endowment Trust has a unique purpose in the life of our parish – to help us go beyond our annual operating expenses and empower our ministries for a lifetime.

The Endowment Trust will benefit various areas of the parish to help us go beyond our annual operating expenses and empower our ministries for a lifetime. All Saints Church withdraws only the earnings needed for the purpose of the Endowment Trust.

We invite you to make a difference and leave your lasting legacy through the All Saints Endowment Trust.

Please refer to the enclosed brochure for more information on how you may help our Endowment Trust and its mission.

Remember, gifts given to this Endowment Trust can never be used; only the earnings can be spent. For more information on how you can leave All Saints Parish a gift in your will or estate plan, email Trustees Mike Holmes mjholmes5@gmail.com or Rusty Miller jrustymiller@gmail.com

Thank you for your prayerful consideration of this request.

Yours in Christ,
Fr. Alfonse Nazzaro
