Message to All Saints Parishioners

We do not get many opportunities to improve our relationship with God or to be in community with our brothers and sisters. The ***Welcome*** retreat is the perfect time to satisfy both of those needs.

Welcome is an overnight retreat designed *by* parishioners *for* parishioners. It is truly a life changing experience.

The next ***Welcome*** weekend is coming up soon and all women are encouraged to seize this opportunity to renew their relationship with God. Do not let this chance pass by.

Hope to see you on the weekend. May God's grace guide you as you discern for attendance.

Remain blessed!

Fr. Jovita

What people are saying

"I met wonderful women that help me go through the many valleys and mountains faced in life."
Victoria

"The retreat has made me become a better Catholic. There has always been more than just attending Mass on Sunday. Now I can call men and women of the parish by their names and they know me."

About Welcome

Welcome evolved from the Christ Renews His Parish (CRHP) retreat, which was created in 1969, and has helped transform more than 1,400 parishes in 100 dioceses and 40 states. The **Welcome** weekend preserves everything that is wonderful about the CRHP experience and integrates essential faith formation ideas and tools from Dynamic Catholic.

Through the **Welcome** weekend, you can step back from your hectic everyday life to reflect on your spiritual life and journey. This experience helps people discover what's missing in their lives and what to do about it. Most people are not living up to their potential and they don't know what to do about it. This weekend will transform you!
